SPIRIT OF 1958

THE TROJAN

The main spring event of the school year is the Beloit Relays which is held the last week in April. Five hundred and fifty athletes from fifty-five A and B schools participated in the seventeenth annual Beloit Relays at Trojan Field on April 26, 1957. A Relays Queen and her two attendants award medals to the winners in each event. This outstanding track event is the leading one in the north central area of the state.

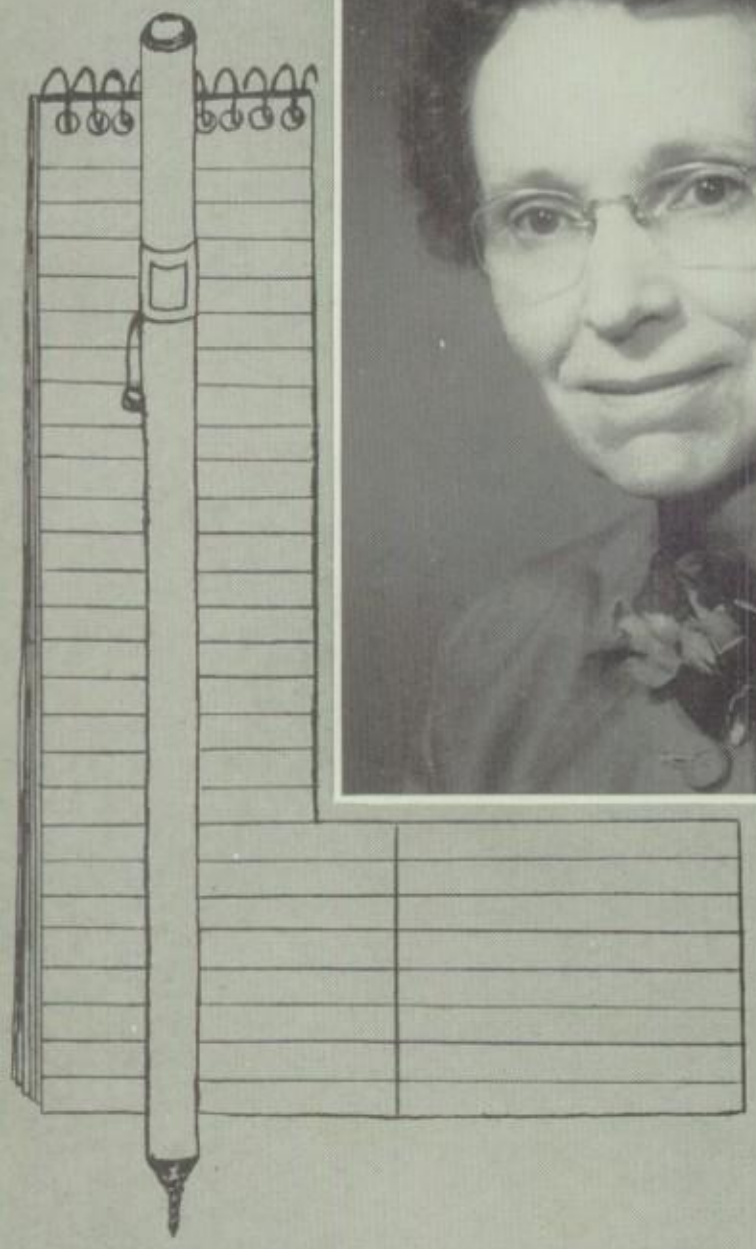
Their Spirit Lives On. . . .

Basic business and commerce facts gleaned from classes in Rooms 101 and 102 have made many a Trojan successful.

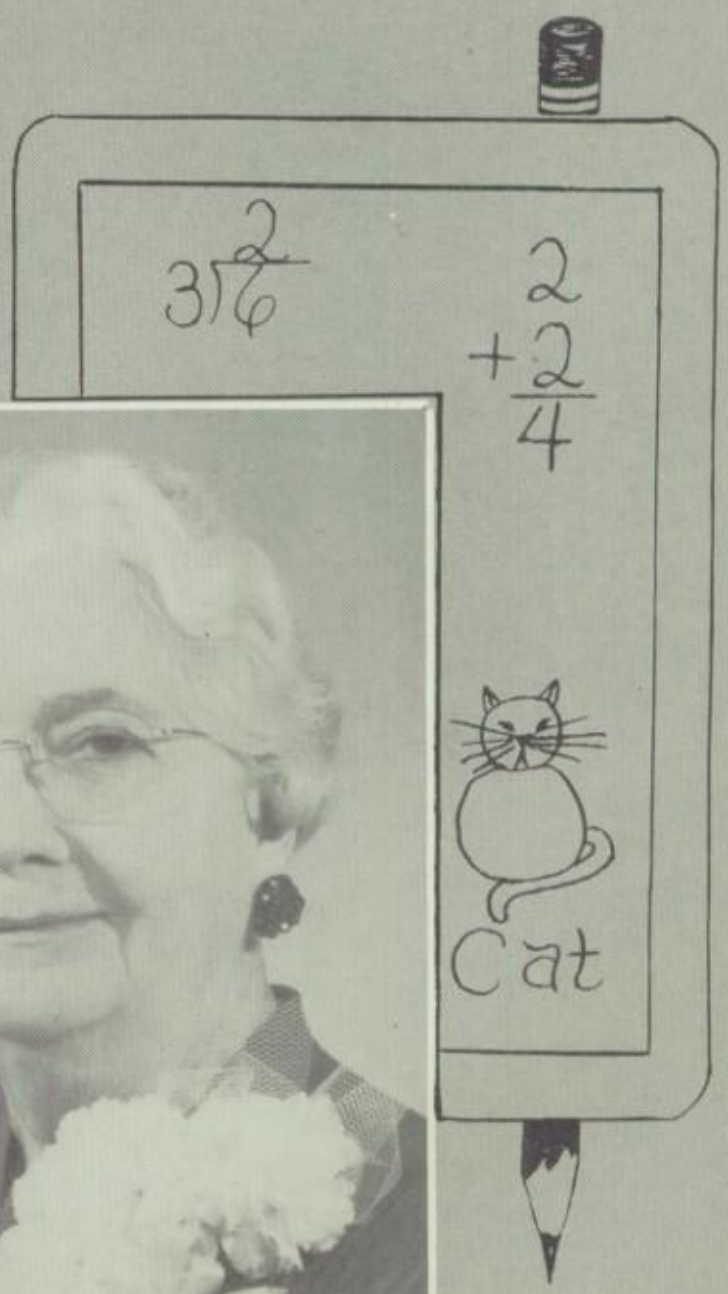
Miss Clara Bollman's twenty-eight years of skillful direction in bookkeeping, shorthand, general business and related courses remind all that strict adherence to a one-and-only way --- the right way --- will accomplish the goal. A spirit of willing helpfulness has been the beacon light in Miss Bollman's lifetime of teaching.

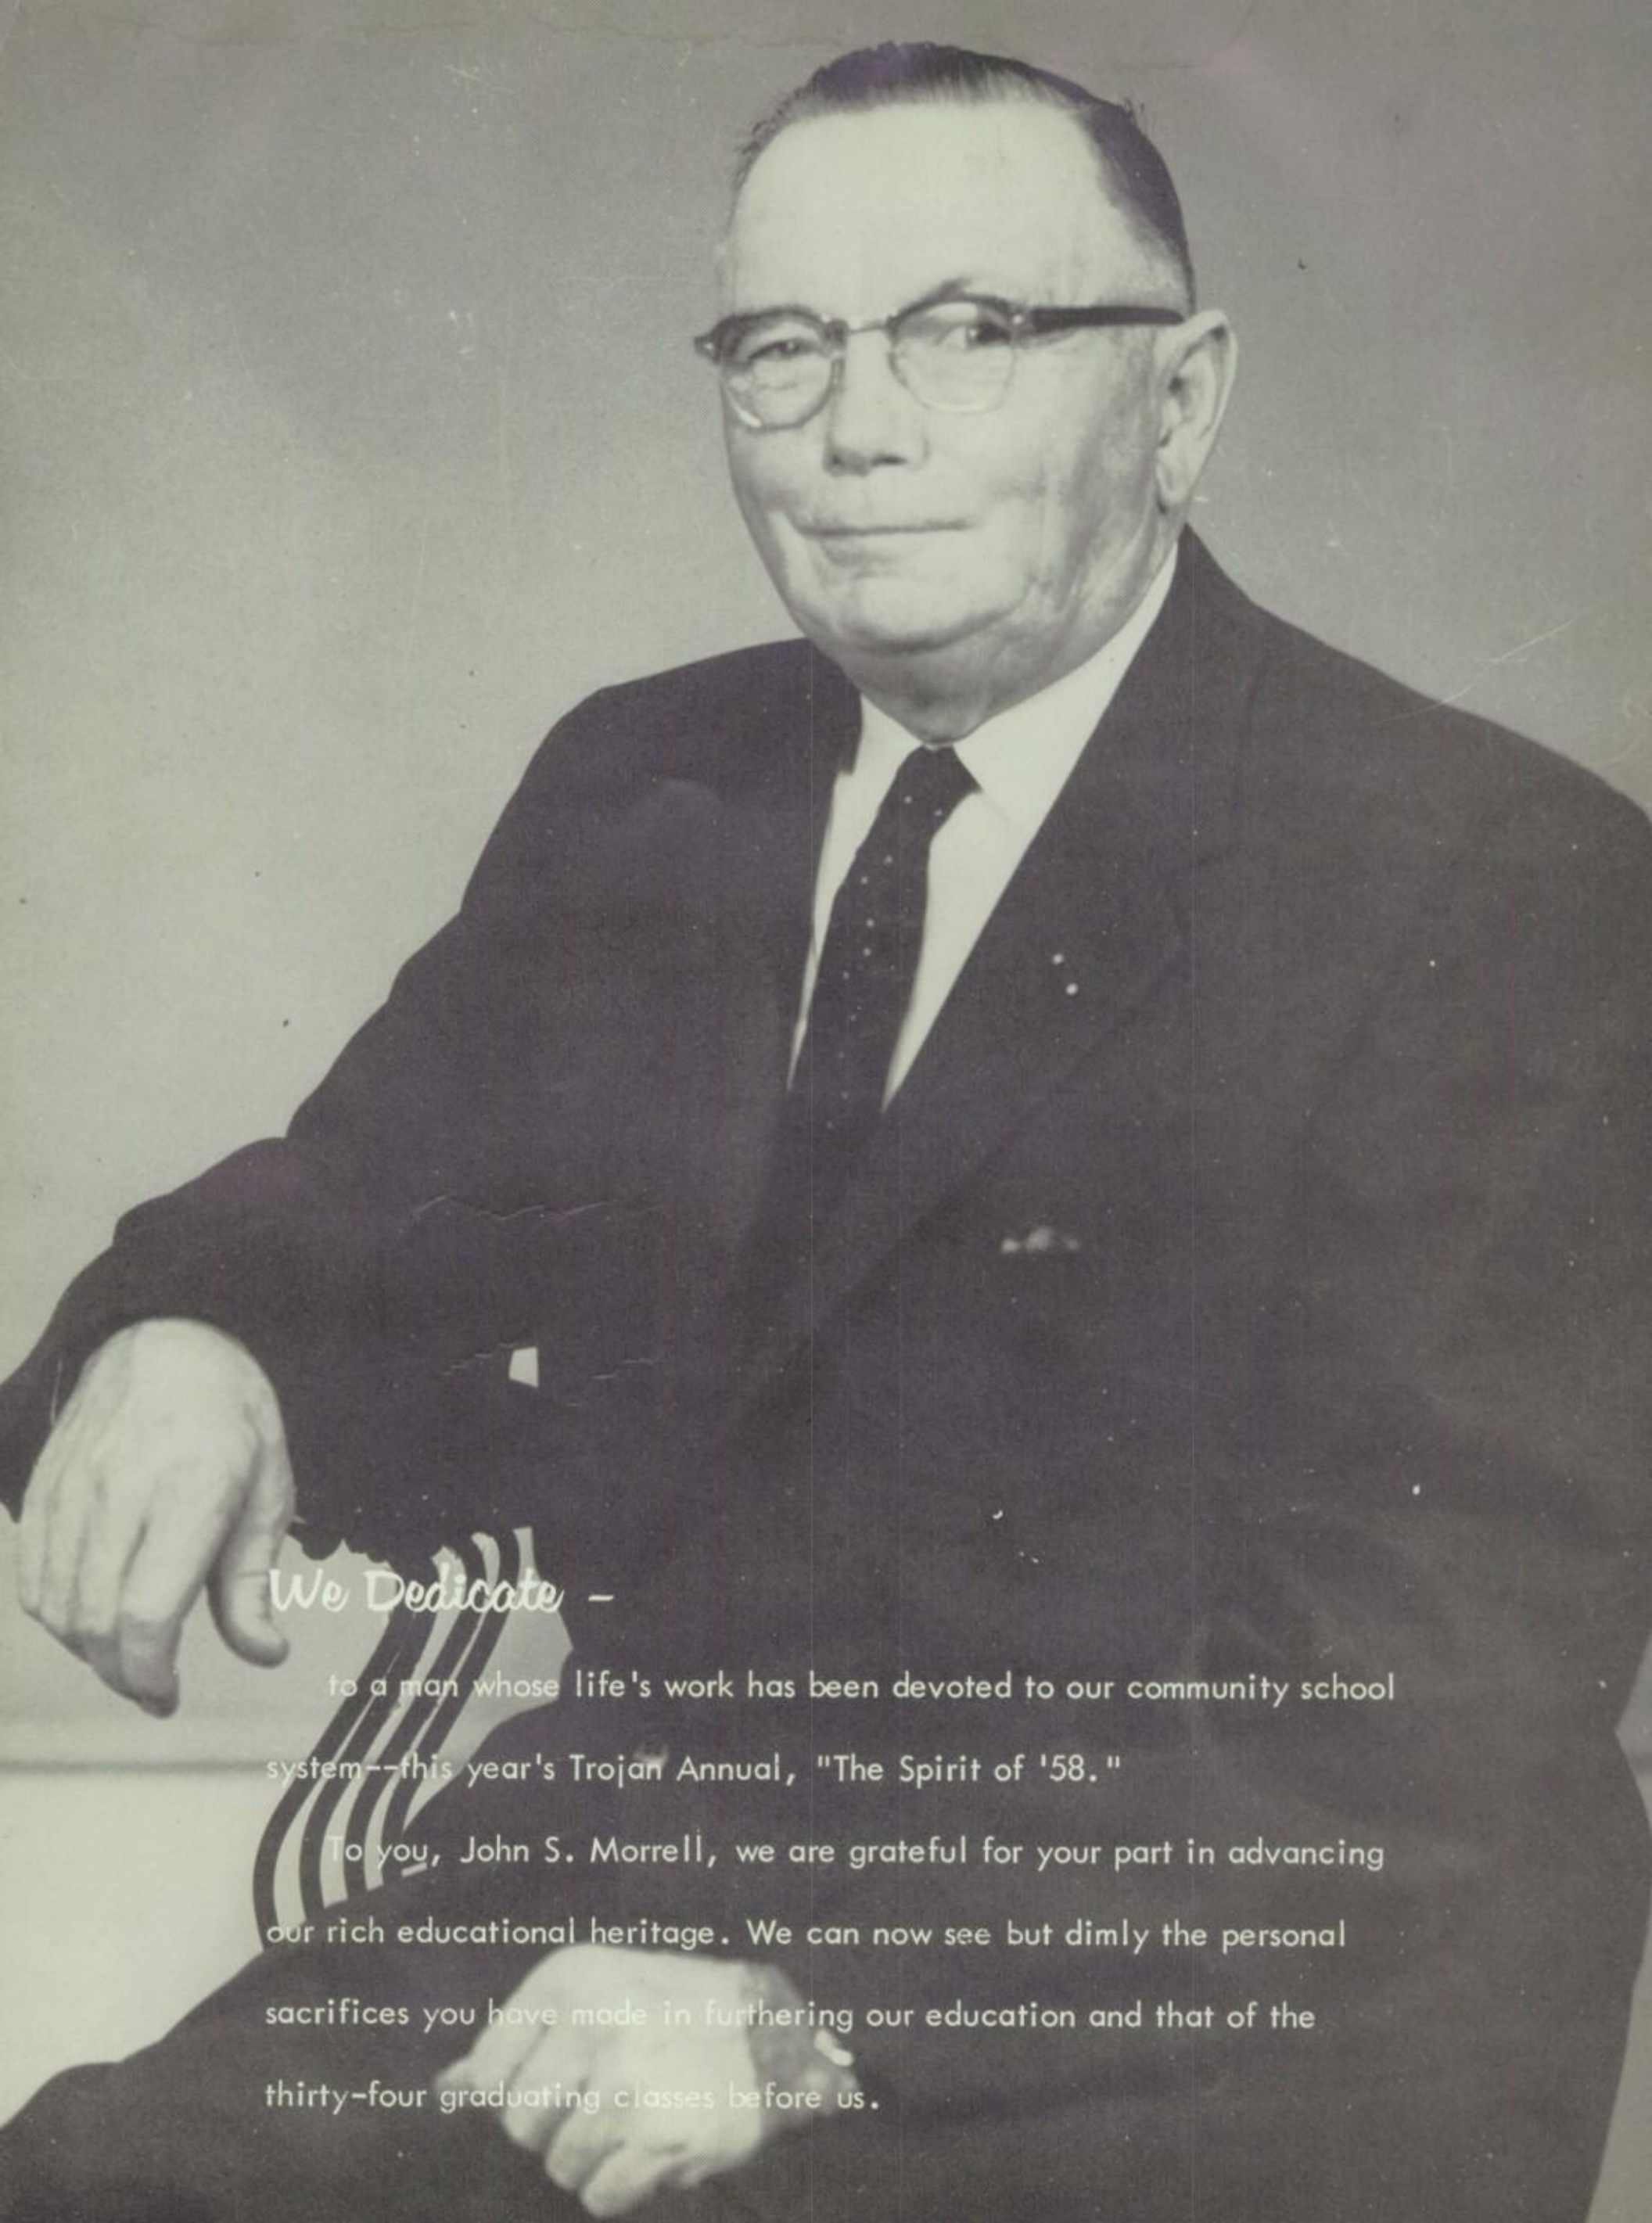
In grateful acknowledgement of so much help and guidance, our sincere best wishes in happy years of retirement.



Early school years are character molding times in the lives of youngsters, and Miss Ile Hillman, fourth grade teacher at Field School, has been the sculptor for many a pupil in the Beloit City Schools. Her forty-six continuous teaching years in the city and rural schools have endeared her in the hearts and memories of high school graduates.

To one who has devoted a lifetime to guiding little ones -- our expressions of thanks and appreciation and our best wishes for many happy years in retirement.





We Dedicate -

to a man whose life's work has been devoted to our community school system--this year's Trojan Annual, "The Spirit of '58."

To you, John S. Morrell, we are grateful for your part in advancing our rich educational heritage. We can now see but dimly the personal sacrifices you have made in furthering our education and that of the thirty-four graduating classes before us.

ADMINISTRATION

Superintendent John S. Morrell hands Superintendent-Elect E.M. Chestnut a copy of the school budget upon his retirement from the Beloit City Schools after serving thirty-seven years as teacher, principal, and superintendent.

His chief concerns have been the betterment of the school's curriculum, tenure of teachers, building facilities, and the school budget. The new Elementary School Building constructed for use in 1956, thus combining the Rogers and Field Building elementary grades, was Mr. Morrell's crowning achievement.

Principal E.M. Chestnut (LEFT ABOVE) receives a copy of the school budget---and all other supervisory duties---in stride because he has been in no small way well acquainted with Beloit's school problems for twenty-eight years.

"E.M.," as he is familiarly addressed, has been the hub of all school activities, and the progenitor of many. He initiated the Beloit Relays in 1941 and has successfully managed and conducted them since. He has been responsible for the development of Trojan Field, Athletic competitions of various types, and many other intra-school activities.

Mr. Chestnut is a member of the Board of Directors of the Kansas State Teachers Association and a life member of the N.E.A.

Spirit of '58

WE in the class of '58 began our journey September 7, 1954, with sixty-one freshmen. We chose as our leaders, Larry Golladay, president; Jim Kadel, vice-president; and Linda Mann, secretary-treasurer.

AS confident Sophomores we elected Ed Shamburg, president; Jean Hodler, vice-president; and Billie Lou Campbell, secretary-treasurer.

WHEN our Junior year rolled around we were "upper-classmen." The capable officers elected were: Jerry Boettcher, president; Larry Golladay, vice-president, Janet Hixenbaugh, secretary and Rosie Wineinger, treasurer. The Senior-Junior Reception, "Canadian-Sunset"; the three-act play, "Our Hearts Were Young and Gay"; the Junior-Senior Banquet, "Hawaiian Paradise" and choosing our class rings were the highlights of the year.

NOW the all-important year: the end of the journey. We again chose Jerry Boettcher, president; Earl Hackett, vice-president; Janice Seaman, secretary; and Madonna Selichnow, treasurer. The highlights of the year were the Reception, "The Roaring 80's"; the Junior-Senior Banquet; "Southern Plantation"; and the three-act play "Love Is in the Air."

Only the formalities remained until we were merely another graduating class. Now, with all our achievements and joys, we are starting down the road of life with great hopes of fulfilling our future.

Begun in December of 1956, this popular honor project completes its first full school year. Its purpose is to recognize students who serve the school well in all around activities.

Each month one or two organizations or groups of the school present three boys and three girls as candidates. A school-wide election then determines one boy and one girl winner, whose pictures are placed on the calendar in the hallway.

September candidates were proposed by the student council; October, Football and Pep Club; November, Junior class; December, Hi-Y and Y-Teens; January, Freshman and Sophomore classes; February, Basketball squad and Pep Club; March, Home Economics and FFA; April, Band and Orchestra; and May by the Senior class.

To Develop Competent Aggressive. . . .

Under the practiced guidance of Mr. Lee Doyen, the Beloit Chapter of Future Farmers of America completed an outstanding year. Three State Farmers--Jim Kadel, Bil Bunger, Richard Heiman (elected State FFA Vice-President)--and an Honorary State Farmer, John S. Morrell, were all chosen from the Halls of Troy. The chapter was honored for the fourteenth consecutive year by the state association as a member of the Gold Emblem Division--highest state honor a chapter can attain.

At the close of 1957, the 38 members' assets totaled $60,142.21. Of this total, $13,167.22 was the value of individual projects including crops, livestock, and poultry.

Trojan Thinclads Host NCKL Meet. . . .

Spring found Trojan Stadium covered with snow as track season opened around the state. Lacking practice (due to cold, damp weather) squad members entered the state high school indoor meet at Manhattan March 29, and Heiman leaped 5'11" for second place in Class A competition.

Followed a three team meet --- Trojans taking first --- a five team invitational with Concordia first and Beloit second --- both at Beloit; and the Hays Relays on April 11, Trojans taking sixth --- with Heiman taking two firsts (javelin, high jump).

At the Norton Relays the boys ranked third behind Wakeeney and Hill City.

After hosting the Eighteenth Annual Beloit Relays (45 Class B and 18 Class A schools) on April 25, Trojan Stadium was scene of the NCKL meet on May 1. This was a "touch-and-go" event with Marysville throughout the day, losing in the final event, Marysville 58 1/2, Beloit 57 1/2.

State competition netted Trojans no placings.

Forty-eight boys reported for track events, thirteen earning letters at the close of the season.

Hurdles events were run off in several heats in both class A and B competition.

Relays Manager (and originator, 1941) E.M. Chestnut with head-starter (holding gun) Sid Smith, former Trojan coach (1945-49).

100-yard dash finish: Alexander (Hays) first place; Mastin (Beloit) third.

The Eighteenth Annual Beloit Relays -- bigger and better than ever -- found classes dismissed at B.H.S. with students acting as hosts to hundreds of guests from sixty-three other schools. The day dawned slightly overcast with a cool east wind. The track, sandpits, and field-event locations were in good condition. Preliminaries were run off before noon under the supervision of Relays Manager E. M. Chestnut, head starter Sid Smith, and a host of capable helpers. Six records fell to new performances.

A twelve man team from Attica (165 miles distant) coached by former B.H.S. coach J. Allen Murry, took home first place Class B trophy with a 50 point total. Wakefield was second with 31 and Agenda third with 23 points.

Clay Center's Tigers under coach Otto Unruh successfully defended their championship title of three years' standing with a 43 point total in Class A competition. Chapman was second with 32 and Hays third with 31 points. Beloit ranked fifth with 20 points, outclassing all other NCKL contestants.

New records for Class A competition were the mile run at 4:26.6 (Concordia's Bill Dotson), medley relay (Lincoln team) 3:44.7 (over last year's 3:49.65).

Class B 220 yard dash time was lowered to 22.2 (Hawkinson of Randolph), mile run by Dale Ohlde (Linn) at 4:46.3, medley relay 3:59.7 (Miltonvale) and shot put distance 48'11" by Burch of Windom.

Golf Wins Ever-Increasing Interest as Spring Sport

Golf, for many years has had an attraction as a spring sport, coached by Principal E. M. Chestnut, Mr. Harrison, and others. Last year under the capable coaching of Bill Cornwell, Trojan golfers took the NCKL match, and placed second in state competition.

This year's four man team --- two seniors, Jim Beu and Larry Golladay and two sophomores, Bill Albott and Don Miller, successfully defended the NCKl championship at Lincoln. Scores were Beloit 330 strokes, Lincoln 340, Concordia 377, Belleville 379, and Marysville 380.

The season's activities also included a match with Belleville at Beloit, an invitational meet opening the season, a three-school match at Lincoln, and the state meet May 16 and 17 at which the Trojans placed third.

the threads of life

Everyone wants to make a success in life --- and there are many definitions of success.

There are certain "threads" that run all through life --- interwoven into our living. A firm grasp on these threads will ensure a successful, full life.

The thread of TRUTH is fundamental. An acquaintance with Him who personifies TRUTH and a firm grasp on Him will not fail one.

OBEDIENCE is a fundamental of education and living. Control of self is essential.

Education gives power --- but what is power that is not used in SERVICE to others?

And the thread of SACRIFICE may be new to high school graduates, but life is demanding --- and nothing until the thread of Sacrifice is woven into ones living.

These four threads of life one can employ to make certain the goal of success.

Recessional ..... Orchestra

Commencement season held unusual memories for many this year --- it being the seventy-fifth anniversary of the first graduating class, and numerous class reunions being held during the week. The classes of 1928-29-30 gathered to renew old friendships, and the speaker of the evening was a Class of '29 grad.

Retirement of Superintendent Morrell gave rise of many a nostalgic thought during the events of the week.

The graduating class was duly presented by Mr. Morrell --- his last official public act of his thirty five years serving the community in the Beloit Public Schools.

Class president Jerry Boettcher and his talk "We the Seniors" thanks parents, teachers, and public.
